Subject: New Charcoal finish for Outdoor seating collection

We are pleased to announce the introduction of the Stella side chair and Mars armchair in a Charcoal finish to our outdoor seating collection.

Both the Stella and Mars collections are backed with a 12 month manufacturer's warranty and meet the standards required by hotels, cafés, restaurants and resorts.

The chairs have been tested to comply with certifications that pass European standards. These certifications relate to stability and overturning tests, general and mechanical safety requirements tests and for outdoor furniture seating that is used in public, domestic and contract use.

Product specifications and test certification standards of each item follow on the next page;
