

PRODUCT RELEASE - C

Issue: 016
Date: 23rd of March 2010

Catalogue Section: Tables
Product Manager: Troy Searle

Subject: Quattro series Cast Iron 4 Way table bases

We are pleased to announce the introduction of the Quattro series 4 Way table bases to the cast iron range. Backed with a 12 month manufacturer's warranty, the Platter collection of bases meets the standards required by hotels, cafés, restaurants and resorts.

The bases are available in 2 spans. Both spans will be stocked at 720mm heights and only the 560mm span will be stocked at a 1090mm height for our dry bar series collections. The top frames have a larger span from the previous Quattro models to reduce the risk of table tops from sagging.

The items are packaged in two cartons with the base + top frame in one carton and the tube + booker rod in the other. Assembly instructions are included to provide a more user friendly product.

Product specifications:

Product Image	Item Code	Description	Max Table Top Size (in mm)
	739.31475.358	Cast Iron Table Base, n.w: 9.00kgs 1. Height: 725mm 2. Base Span: 560x560mm 3. Tube: 76mm x 1.5mm thick steel 4. Top Frame: 450 x 450mm 5.
