### PRODUCT RELEASE – C

**Issue:** 023  
**Date:** 17<sup>th</sup> May 2010

**Catalogue Section:** Drawer Systems  
**Product Manager:** Keiran Lowden

**Subject:** GRASS DWD XP Kits

We are pleased to announce the introduction of the DWD XP drawer from Grass now supplied in a packaged kit format. This method of packaging has been sort after for some time with benefits in ordering - requiring only on code to order all components, along with additional supply and storage benefits.

#### Technical Information

Technically there are no changes to the DWD XP drawer itself. The change is purely packaging related.

Each DWD XP Kit contains the following components:

- 2 x screw fix front brackets
- 2 x DWD XP drawer sides H95mm
- 2 x 40kg full extension runners
- 2 x 86mm back brackets

The above components are all that is required to assemble 1 standard DWD XP drawer. Gallery rails, side rails and other accessories are all still available as separate products.

Kits are available in both White and Alumetallic finishes.

For further information please contact one of our customer service teams on 1800 008 591 in Australia, or in New Zealand on 0800 267 625.
